How old are you? 20 years old.
How long have you been skating? I've been skating for about 10 years.
Where did you grow up skating? In Santa Clara, CA. **Where do you live right now?** I moved to Gilroy about a year ago. But right now, I'm staying in Mountain View. **What's your current setup?** Sonic Jason Adams, Krux trucks, Sonic wheels, and Halo bearings. **Where do you like to skate?** I usually skate in Santa Clara, Sunnyvale, and sometimes San Jose. I go other places to skate but I enjoy skating where I live the most. **Who do you skate with?** I skate with Donny Kim, Aundre Buchard, Steve Caballero, A.J. Gibbons, Jessie Erickson, and my teammates. **What's it like riding for Sonic?** It's the best.

Feeble Grind

What's your favorite music? I don't really have a favorite type of music. I listen to the Faction, Led Zeppelin, The Cure, Nirvana, Odis, and sometimes rap. It just depends. **What skateboarders inspire you?** Everyone that I skate with really. I really like skating with Marc Johnson, Ger-shon Mosley, Gab, and Tim Brauch. When I was younger, I was really stoked on Frankie Hill. **Who do you look up to now?** Steve Caballero. He's been skating for so long and he's still ripping. He seems like he has fun when he skates. He will probably skate forever. **What do you do when you're not skating?** I like to hang out with my friends, play chess, and sleep. I also work at Seasons a couple of days a week. **What skaters are coming up right now?** Donny Kim, you'll see him soon. **How do you feel about contests?** They can be fun. You meet new people and see new stuff. But sometimes it can be frustrating. Especially when the judges don't even skate or haven't skated in like 20 years. **Is there anyone that you'd like to thank?** Gavin and Corey O'Brien, Steve Kobata, Mike Vaughn, Chris Clarke, Joel Gomez, Scotty GreatHouse, Jeff Kendall, Brent Callahan, Lance Dalgard, John Old, Pauline Lam, Kelly Balck, my family, and all of my friends.

What where your first memories of skateboarding? I was riding my brothers hand-me-down board and riding on my knees. This was like in 1987. **What happened from there?** I started standing up, riding off curbs, learning how to ollie and learning kickflips. They were rocket flips though. **How long have you been skateboarding?** I've been skateboarding for about 10 years. **Where did you first start skating?** In San Francisco. In the avenues where I grew up. **Were you an EMB (Embarcadero) local?** At one time or another. I used to go there almost six days a week. **Where do you live now?** I live in Santa Barbara. **Where has skateboarding taken you?** It's taken me back east, all over CA, Washington and Vancouver. I still want to go more places. **Who do you ride for?** I ride for Santa Cruz, Independent trucks, SpeedWheels, Church of Skatan, and Vans. **What else do you do besides skateboarding?** I work part time at the university, listen to a lot of music, and play on my Macintosh. **Last trick learned?** I would have to say nollie K-grinds. **What's your favorite trick?** Kickflips and backside tailsides. **Is there anything you hate about skateboarding?** Nothing. It's all good. **What do you like most about skateboarding?** Having fun and meeting people. **What do you like to skate most?** I like to skate with all the Church guys that live in town. **What about the team?** I like to skate with Ron, Tim always has energy, and Kyle. We like the same tricks. **Is there anyone you want to thank?** I'd like to thank a few people. Jeff Kendall, Justin Burt, everyone at NHS, Tony at Shorties and Erik Hatch for filming me.

Interview-Jai Tanju Photos-Lance Dalgart

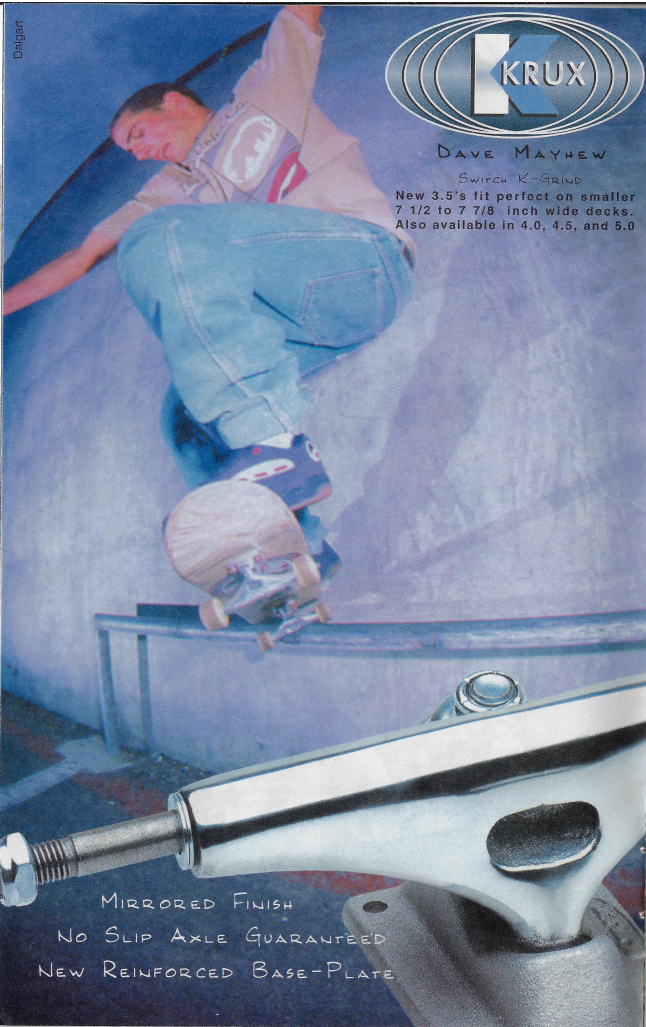

You've changed quite a bit since our last interview. Let's just start by asking why you moved back from San Louis Obispo? I don't know. It was boring. Well, let's just say things didn't work out and I started missing the B.M.C. What other things have changed recently? The day I got back from Las Vegas, which was last week, I bought a car and moved into a new house. I think I'm kinda growing up a little bit. I've always tried to

live theendants song "I don't want to grow up. But lately I've been growing up. What kind of car did you buy? I bought an '82 Volvo. What color is it? Pimping gold. So you like to eat soup? Yeah. What are your favorite soups? Well, one's pretty much my own creation. It's a mix of chicken noodle and cream of chicken with lemon pepper and lemon juice. You add extra pasta and it's grubbing. Does it have a name? Yeah. I guess you could call it chicken noodgell. What bands have you been listening to lately? Green Day. Just Green Day? No. Green Day, The Jam, and Warren Zevon. That would sum it up! Pretty much. Let's talk about skating. If you could steal 3 different things from people's skating, past or present, what would those be? Skate vert like Ross Goodman. He's definitely my favorite vert skater. Do 360 flips like Jason Lee. And have pegged jeans like Ricky Windsof. So who would you choose, Crazy Eddie or Aaron Harrison? That's a good question. "Crazy" Eddie, of course he's sexier. It's not Crazy Eddie anymore though it's "Danger" Eddie. So your happy now that you ride for Sonic? Yeah, totally. It's a total San Jose thing. It's pretty cool that I ride for Corey O'Brien, the ex-pro skater, and Gavin O'Brien, the ex-Faction singer. Frisco or Gilligan's Island? Don't I get another alternative? I had this dream to get this huge bulldozer and bulldoze all the way from Santa Clara street through the 101 north until I get to San Francisco. And then shovel that place into the ocean. That's how much I like that place. What other places are on your hit list? No place else. That's the only place I want destroyed. Is there anyone you're stoked on that you want to thank? I'm pretty impressed by Tim Branch right now. He's the captain. What's one thing that you could do without? 4:20. That's one thing I could sure miss about! So basically things are going well for you right now? Yeah, it would seem so. It's a whole new deal. I'm kinda confused. I gotta get used to it. Any plans for the future? I'm just gonna ride the white wave. That's a good way to end it. Is there anyone you want to thank? Yeah, Gavin and Corey O'Brien, Russ Pope, and the B.M.C.

Fall off the Rooftop's

Ron Whaley just shot a two page spread ad for TWS with Rooftop's tape on his board. With Ron wearing wall shoes, he had some difficulties taking his eyes off of the ball nailed "bitch" on his deck top. From two stories up, the location couldn't have been fatal. Ron was heard saying "Dude, I was makin' eye contact."

Ralph Squirts

Richard Kirby and Peter Hewitt went to South America with the Thresher "Hellsin" crew. There was talk of some sick concrete parks. Photos were taken of Peter doing a frontside invert in a huge bowl with hundreds of spectators surrounding the perimeter. They both got the standard "American in a foreign land" sickness that lasted a few days each.

Punk

Kirby's "Punk Poster" T-shirt model is out now. His deck comes with a free CD featuring LAB, the heart of NHS production Mike Nader's band.

The Hole thing

The ever growing and proud Krux team welcomes new team rider, Erik Eltinger.

Substance

What giant skateboard manufacturer just loves to copy innovations started by Santa Cruz in their ads?

U-dell

Vinik Haddad did a backside melon off of a U-Haul truck during the post-contest festivities in Tampa, Florida. Upon landing he rolled his ankle, crumpled ankles, dropped his shoulders of congratulating onlookers. Turns out, he forgot to put on his cage.

Four by

After calculating his photo license fees for the year, Tim Bruch decided it was time for a new Toyota pickup. '98 Redneck Mud Tour coming soon!

Contests

Built amateur, Anthony Furlong, took the vertical event in Tampa in January. Dirk Winkelman, Santa Cruz World team pro from Holland, got 2nd place at the Not a Gimmie Pro contest in Stockholm, Sweden in December. Tim Bruch got 2nd at the contest in Ventura last November.

Teasers

What self-proclaimed "real" pro and x-rider, due to the playful taunting of fellow team riders, had to be removed from a nation-wide tour? Would a "real" doctor leave mid-surgery?

De-schooled

Ryan Parsons, Santa Cruz am from Sacramento, has probably one of the coolest decks to date. He has relieved Ryan of school duty and instead is allowing him to take home courses. Ryan's still getting his education but has a more flexible schedule to skate.

New Friend

Arnon Harrison of Zero fame now rides for Creature.

Drained

Howitt, Sam "The Hitman" Hitz, and Navarrette all recently moved into a house with a pool in San Diego. One month after they moved in, they drained it and had a few friends over for a session. Neighbors noticed and the next day the landlord came over shaking and spilling in fury. After the smoke cleared, literally, they got to keep their home.

Welcome the 6th Strange Notes since its resurgence in late '96. Time just flies. Whether you're havin' fun or not. We were sorting through some of the letters we have received to get an idea of what some people would like to see in Strange Notes. We think we've got a good idea. However, it's gonna take us a little while to get some photos of cops getting bashed and naked chicks. Don't worry though. We'll continue to give away stuff. Also, we're working on getting more pages for more pro interviews and trick tips. But most importantly, we promise to ourselves. Thanks to all for writing in and soon we'll have room to print your letters. Pave the world! Late.

Congratulations to last issues' winners, Jamel Brown, Nick Weinstock, Kelly Leigh, Ricky Henry, TR White, and Matt Patterson. If you didn't win last time, or you were didn't fill out the last questionnaire, don't worry you have another chance to win goodies. All you have to do is complete the questionnaire below and mail it to Strange Notes. The first two lucky SOB's will win either an 8 foot long flat rail or a 2 foot locker ramp courtesy of our friends back east at Ramptrax.
